Dear Mr. Furia,

Belated Holiday Greetings to you and your Staff. I must apologize for the delay in writing, but had surgery after Christmas and just returning back to work. As I began to acknowledge and express our heartfelt gratitude for your generosity and donation of the beautiful gifts that you and your staff collected during the December 2015 Holiday Season for the family of 10 children, the thought was great. I particularly chose this family to be the recipients because they were housed in Harmony House, our homeless shelter for children and families for four years and had just founded an apartment big enough to house them the first of December, they were overwhelmed with joy.

Mr. Furia, it is so nice that you and your staff wanted to sponsor a family this size, otherwise a Christmas without toys and gifts for children is a day filled with sadness and hopelessness.

Please know that we will forever be grateful to you for your acts of kindness and generosity.

Sincerely,
